

## FREEZERS: Chest Freezer

### MFC15V6GW

Store even more frozen food in a chest-style 425 liter freezer. The MFC15V6GW has an adjustable temperature control and requires manual defrosting. Three removable baskets help to keep small or frequently used items within reach. The interior light, located on the inside of the lid, makes it easier to find packages that are stored at the bottom of the freezer. The lock with pop-out key will keep the freezer secure.

#### Features:

##### Removable Storage Baskets:

2

For easy access, store smaller items in our removable freezer baskets.

##### Adjustable Temperature Control

Allows you to easily regulate the temperature of your freezer for a fully stocked or minimally stocked freezer.

##### Interior Light

##### Drain Pan

##### Lock with Pop Out key

The lock with key allows you to restrict access if necessary. Properly locked, small children will not have access to the freezer.

##### Power-on Light

The "Power-On" light glows continually as long as there is power. It warns you that the freezer is not working.

##### Textured Steel Cabinet

#### Specifications:

Capacity (Liters)	425 Liters
