

Famous for Quality the World Over

Introducing the new Philco Commercial Rated freezers, constructed with heavy-duty components.

This line of freezers surpasses the quality, construction and reliability you come to know and expect with Philco freezers. These models now offer Easy Set electronic controls located on the outside of the door. These models are both Frost Free this means you'll never again have to defrost your freezer and your food remains safe from frost build-up.

Features:

- Easy Set Electronic Controls
- Rounded Door Edges
- Basket
- Juice Can Rack
- Door Racks
- Shelves
- Interior Light
- Lock with Pop-Out Key
- Power On Light
- Textured Steel Cabinet and Door

Philco Commercial Rated freezers now have the RoHS approval and have a new Climate Class rating of "T" and Energy rating of "A"!
